

The Ronald McDonald House of Knoxville provides a "home-away-from-home" for families of seriously ill children receiving treatment in area hospitals. The House provides a warm, comfortable and supportive residence where family members can sleep, eat, relax and find "care" for the caregiver. Best of all, it's affordable for everyone! If a family cannot afford the \$5.00 per night donation to stay, it's completely free! That's why events such as this tournament, our largest annual fundraiser, are so important to our continued existence. Your generosity touches so many lives!!

TOURNAMENT FORMAT

This year's tournament will consist of two-person teams; each team will play one round in either the AM or PM time frame.

Each player will hit their tee shot and choose the best of the two. From that point each golfer will play his/her own ball for the remainder of the hole. The lowest score of the two golfers will count (only one score counts). Double bogey is the maximum score for each golfer on each hole. The teams will be divided into flights after each round and prizes will be awarded for first, second, and third place in each flight based on total team score.
