

**Ronald McDonald
House Charities®**
of Knoxville

The Ronald McDonald House of Knoxville provides a "home-away-from-home" for families of seriously ill children receiving treatment in area hospitals. The House provides a warm, comfortable and supportive residence where family members can sleep, eat, relax and find "care" for the caregiver. Best of all, it's affordable for everyone! If a family cannot afford the \$5.00 per night donation to stay, it's completely free! That's why events such as this tournament, our largest annual fundraiser, are so important to our continued existence. Your generosity touches so many lives!!

Dedicated to the Memory of
Phil Cochran

TOURNAMENT FORMAT

This year's tournament will have 2 formats. The morning round will consist of two-person teams. Each player will hit their tee shot and choose the best of the two. From that point each golfer will play his/her own ball for the remainder of the hole. The lowest score of the two golfers will count (only one score counts). Double bogey is the maximum score for the team on each hole. The teams will be divided into flights after the round and prizes will be awarded for 1st, 2nd and 3rd place in each flight based on total team score.

The afternoon round will consist of 4-person teams playing a scramble format. Each person will hit a tee shot on every hole and the team will select the best shot to use. The next shot will be taken by each player from this location and continue in the same fashion until the ball is holed out. Bogey will be the maximum team score on any hole. Teams will be divided into flights after the round and prizes will be awarded for 1st, 2nd and 3rd place in each flight based on the team score.
