

**Ronald McDonald  
House Charities®**  
of Knoxville

The Ronald McDonald House of Knoxville provides a "home-away-from-home" for families of seriously ill children receiving treatment in area hospitals. The House provides a warm, comfortable and supportive residence where family members can sleep, eat, relax and find "care" for the caregiver. Best of all, it's affordable for everyone! If a family cannot afford the \$5.00 per night donation to stay, it's completely free! That's why events such as this tournament, our largest annual fundraiser, are so important to our continued existence. Your generosity touches so many lives!!

## TOURNAMENT FORMAT

This year, we have eliminated the shotgun start and will be utilizing tee times to lower the risk of exposure to Covid-19 from large gatherings at the clubhouse. We ask that all players utilize masks when they are inside the clubhouse as well as outside when you are within 6 feet of others. This includes when riding in a cart with another player. Thank you for your cooperation.

The tournament format will consist of 4-person teams playing a scramble format. Each person will hit a tee shot on every hole and the team will select the best shot to use. The next shot will be taken by each player from this location and continue in the same fashion until the ball is holed out. Double Bogey will be the maximum team score on any hole. Teams will be divided into flights after all teams' scores are posted and prizes will be awarded for 1st, 2nd and 3rd place in each flight based on the team score.
